

City of Thunder Bay Regulations

BOW and ARROW Hunting 2012

1. Hunting is only allowed on certain privately owned lands as set out in By-law 046-2012.
2. Hunting is only allowed during the hunting season prescribed by the Province of Ontario.
3. Hunters must be in possession of a valid hunting license issued by the Province of Ontario.
4. Hunting is only permitted with a bow and arrow as prescribed by the Province of Ontario.
5. Hunting is only permitted from a tree stand or other similar stand no lower than 3 metres in height.
6. A bow and arrow can NOT be discharged within 75 metres of a dwelling or of a highway.
7. Baiting deer is only permitted during the period from November 1 to December 15 in the year.
8. Hunters must receive the prior consent in writing of the owner of the privately owned land where he or she is hunting.
9. Hunters must receive the prior consent in writing of every owner of privately owned lands which are located within a radius of seventy-five (75) metres of the tree stand or other similar stand.
10. Hunters must not field dress the Deer or dispose of the remains or carcass of the Deer on the lands where he or she is hunting without the prior consent in writing of the owner of these lands, or on a road allowance or on lands owned by the Corporation.
